THANKSGIVING: WHO CAN SAVE THE TURKEY?

Read this document and answer the questions to find the combination of LOCK n°4

On Thanksgiving Day, the fourth Thursday in November, most Americans gather with friends and family. They pause, reflect on their blessings, cook, and eat a lot!

The star of most Thanksgiving dinners is a roasted turkey. Many families add traditional side dishes, too, such as mashed potatoes, sweet potatoes, cranberries, and green bean casserole. A casserole is a dish that cooks slowly in an oven.

One of the most popular Thanksgiving side dishes is stuffing. Stuffing usually includes bread, celery, onions, and a thin soup called broth. The ingredients are mixed together and then put – or *stuffed* –into the turkey.

The meal does not end with the turkey, stuffing, and side dishes, though.

The quintessential Thanksgiving dessert is pie. Pumpkin, cherry, apple or pecan pie are all popular ways to finish off Thanksgiving.

Before everyone takes a nap, that is.

Happy Thanksgiving
