

Belfast Ghost Walk Tour

<http://www.ghostwalkbelfast.com/index.html>

During your school trip in January, you will take part in a Ghost Walk Tour in Belfast City. You have to write the story board of a horror scene. You can take photos and even shoot a film in the narrow alleys and streets of Belfast at night. It should last between two and 5 minutes. You will have to tell the story out loud on your multimedia document.

Pay attention to the tone used and make the atmosphere as spooky as possible!
