*The Eden Project, Cornwall
Garden and Conservation attraction.*

Cornwall, Tuesday January, 21st

Dear.....,

I am on holidays in Cornwall with my family. It is sunny but a little cold, it is only 13°.

We are in a small house with a garden. There are 2 bedrooms, one with a queen-size bed for my parents and one with twin beds for my sister and me. There is one bathroom, a kitchen and a living-room but there isn't any dining-room.

We visit attractions (the Eden Project for example) and museums, we walk in the country and we go to small villages on the coast. We go to the pub or to the restaurant in the evening or we stay at home and watch TV in English! I improve my English, Mrs Garnier-Colas will be proud!!!

See you soon at school, XXX
