Parcours A2

3) **Write** a number corresponding to each element to **reorder** the story of Romeo and Juliet. *You can look for transparent words first, order the elements, write a number and associate them with a picture.*

The scene is set

1.

Montague and **Capulet** servants clash in the street, the Prince threatens punishment if another such brawl (=fight) takes place.

The lovers meet for the first time

Romeo is persuaded to attend a masked party at the Capulet house. Not knowing who she is, he falls in love with Juliet the moment he sees her, and she, equally ignorant that he is a Montague, falls just as instantly for him.

Romeo risks death to meet Juliet again

When everyone has left the party, Romeo goes into the Capulet garden and sees Juliet on her balcony. They reveal their mutual love and Romeo leaves, promising to arrange a secret marriage.

The marriage is held in secret

Juliet tells her parents she is going to make her confession to Friar Laurence, meets Romeo there and, the friar marries them immediately.

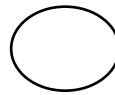

Romeo angrily kills Juliet's cousin, Tybalt

In the street Tybalt challenges Romeo to a duel. Romeo refuses to fight and his friend Mercutio accepts. As Romeo tries to break up the fight, Tybalt kills Mercutio and, enraged, Romeo then kills Tybalt. The Prince arrives and, banishes Romeo rather than have him executed.

The unhappy couple are separated

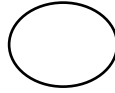

Arranged by the Friar and the Nurse, Romeo and Juliet have spent their wedding night together. They are immediately separated though, as Romeo must leave for banishment. Juliet's father tries to console Juliet by arranging her immediate marriage to Paris. She refuses, and she runs to the Friar for advice and help.

The Friar suggests a dangerous solution

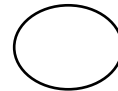

At the Friar's, Juliette is so desperate that she threatens suicide, and he suggests that she takes a potion that will make her appear to be dead. He promises to send a message to Romeo, asking him to be with Juliet when she wakes, in the family crypt.

Juliet is found 'dead'

The Nurse discovers Juliet 's 'body' dead' when she goes to wake her for her marriage to Paris. Friar Laurence is called and arranges for Juliet to be 'buried' immediately.

Romeo learns of the tragedy and plans suicide

Romeo's servant, Balthasar tells Romeo that Juliet is dead before he gets the message. Romeo buys poison and leaves for Verona, planning to die alongside Juliet's body.

The tragic conclusion (Act 5 Scene 3)

10.

Trying to break into the Capulet crypt, Romeo is disturbed by Paris and they fight. Romeo kills Paris and reaches Juliet's body. He drinks the poison, kisses his wife for the last time, and dies.

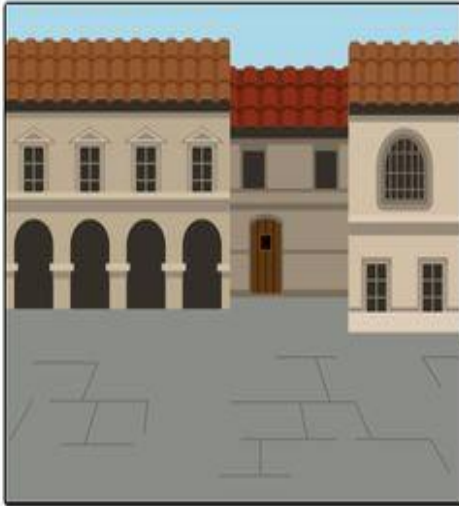

Juliet realises what has happened, takes Romeo's knife and stabs herself to death with it. The watchmen discover the gruesome sight and call the Prince, to whom the Friar confesses everything. Having heard the full story, the Montagues and Capulets are reconciled. Peace has been achieved, but the price has been the lives of two innocent young lovers.

2) **Reorder** the different steps of the story.

Cut the different pictures which are all mixed up and **reorder** them so that they correspond to the story.
