

## The King's speech : my personal opinion

I like...	I dislike...
<b>THE STORY</b> because it is...	
<input type="checkbox"/> true <input type="checkbox"/> historical <input type="checkbox"/> interesting <input type="checkbox"/> moving <input type="checkbox"/> funny sometimes <input type="checkbox"/>	<input type="checkbox"/> long <input type="checkbox"/> boring <input type="checkbox"/> monotonous <input type="checkbox"/> without interest <input type="checkbox"/> without suspense <input type="checkbox"/>
<b>THE ACTORS</b> because they ...	
<input type="checkbox"/> look like the real characters <input type="checkbox"/> have different feelings <input type="checkbox"/> have done a great job <input type="checkbox"/> are realistic <input type="checkbox"/>	<input type="checkbox"/> overact <input type="checkbox"/> are not realistic <input type="checkbox"/> do not show the character's feelings <input type="checkbox"/> are severe <input type="checkbox"/>
<b>THE THEMES</b> because they ...	
<input type="checkbox"/> are interesting <input type="checkbox"/> are not ordinary <input type="checkbox"/>	<input type="checkbox"/> are too old-fashioned <input type="checkbox"/> are too far from our lives <input type="checkbox"/>
<input type="checkbox"/> I learnt about the British monarchy <input type="checkbox"/> I realized it is not easy to have a speech problem <input type="checkbox"/> I discovered that being King is a lot of responsibilities <input type="checkbox"/>	<input type="checkbox"/> I am not interested in historical films <input type="checkbox"/> I am not concerned with speech problems <input type="checkbox"/> Living as a king is too different from my life <input type="checkbox"/>

I think...

In my opinion ...

For me...
