

« Look at Me ! »

This painting represents Alicia in the stairs, the title is « Look at Me » It was painted on 22 december 2017 by Romane (me) it is composed of one girl who is alone, stairs, windows .

On the left a girl alone, is looking at the horizon. The main colours are blue, black, white.

For my creative process I made shetches, used pens, pictures and contrasts.

To me the girl was alone, stressed, thoughtful and tired. I think my painting conveys loneliness and isolation.
