

EXPERIENCE THE HIGHLAND GAMES IN BRESSUIRE

STEP 4 – YOUR MISSION

Your internship takes place at the Highland Games' Association -AJEF- in Bressuire. As you can speak English, your tutor is asking you to present the event on his/her behalf.

The Highland Games festival is coming to Bressuire very soon.

You are in charge of welcoming the international participants at a reception on the opening ceremony.

These games take place in June every other year, outside the castle in Bressuire.

STEPS to be followed:

1. **GREET and introduce** yourself, local VIPs -the mayor, the councillors, the president of the association, the locals...
Remember to mention the name of your organisation: Highland Games Bressuire / AJEF
➔ Keep in mind this is a formal speech. Slang is not permitted.
2. **RECALL THE DIFFERENT FIELD EVENTS** which take place during THE HIGHLAND GAMES COMPETITION and give a brief description.
3. **BRESSUIRE** was chosen to organise this kind of event, because it is **a twin/sister town** with **FRASERBURGH** in Scotland. Don't forget to mention when the first Highland Games took place in Bressuire.
➔ You are the hosting town, so it means you are supposed to know a few facts about your Scottish partner.
 - a. Where is Fraserburgh located in Scotland?
 - b. How long have these towns been twinned? Why can it be essential to have a twinned town abroad?
 - c. What is the capital city of Scotland?

- d. Mention at least three things that are ***uniquely Scottish***. For instance, give the name of a famous Scottish dish...

4. FACTS about the town of Bressuire:

- a. A short history of Bressuire castle.
- b. The number of inhabitants.
- c. Local industries.
- d. Local specialities.

You are not to read your notes.

BUT YOU ARE ALLOWED TO PREPARE A MIND MAP OR A WORD CLOUD!
