### Un film emblématique de cette époque : Grease (1978)

**Grease** est un film musical de Randal Kleiser sorti en 1978. Il est adapté de la comédie musicale homonyme de Jim Jacobs et Warren Casey (en), créée en 1972 à Broadway et jouée 3388 fois. Le film raconte la vie d'une lycéenne de 18 ans, aux États-Unis, à la fin des années 1950. L'esprit des années 50 est palpable dans cette comédie musicale où les bandes de garçons s'affrontent et se défient avec morgue dans leurs baignoles vrombissantes, tandis que les filles dégustent des milk shake en rêvant d'amour.
