

SOP 2022 à Pérign 

Merci aux  l ves et aux enseignant.e.s
de leur partage

Découverte du hockey en préparation de la visio avec Lana Dubé, hockeuse sur glace.

Les différences

- la couleur de peau
- la forme des têtes
- la couleur des yeux
- la couleur des cheveux
- la langue
- l'alimentation
- la façon de s'habiller
- les différences physiques particulières (taille, 2 yeux de couleurs différentes...)
- la richesse

- caractère
- homme et femme
- la santé
- l'âge
- le handicap
- les goûts

The image shows a collection of hand-drawn illustrations on a grid background, representing various human differences. The drawings include: a person in a wheelchair, a person with a prosthetic arm, a person with a different head shape, a person with a different eye color, a person with a different hair color, a person with a different tongue, a person with a different diet (e.g., a person eating a banana), a person with a different way of dressing (e.g., a person in a wheelchair), a person with a different physical feature (e.g., a person with a different eye color), a person with a different personality (e.g., a person with a different expression), a person with a different gender (e.g., a person with a different hairstyle), a person with a different health status (e.g., a person with a different body shape), a person with a different age (e.g., a person with a different face), a person with a different disability (e.g., a person with a different body part), and a person with different tastes (e.g., a person with a different food preference).
