

Safety starts  
with "S"...

... but belt them  
in the car.

Better be Mister  
Late...

... and begins  
with "You".

Slow has 4  
letters so has  
life.

Donate Blood!

... would you  
still drive so  
fast?

Stop accidents...

Hug your kids at  
home,

...before they  
stop you.

If you know you  
are driving to  
your death...

...you bet your  
life

...But not on  
roads!

Speed has 5  
letters so has  
death...

... than to be  
Late Mister.

When you  
gamble with  
safety...

Prepare and  
prevent,

... they are  
caused.

Accidents do not  
happen,

... don't repair  
and repent.
