

And you, which guidelines **have** you **experienced during** and **after lockdown**?

Write a short paragraph in the **present perfect** tense.

During the lockdown, I have done my homework every morning, I have worked with my grandfather in my workshop, I have driven my tractor, the uncle's quad and my grandfather's car, I have spoken with my friend with the social media, I have done lot of sport : running, bike, boxe, crossfit and more ...

After the lock down I have gone at the school, I have gone at the shop for buying news clothes, I have used a mask everywhere and used alcohol based sanitize every time, and I have seen my family and my friends with social distancing.
