RON IS LOOKING FOR FREIGHT

Ron has hired you for the summer to help him organise his delivery rounds and find return loads on freight exchange websites.

Next Monday, October 24th, he will leave Bradford at 6 a.m., first he has planned to deliver to Coventry and then to Bristol.

Choose the most appropriate freight in terms of quantity and location so that Ron doesn't come back with an empty lorry. Moreover, Ron enjoys being back home for dinner.

You may have to modify his delivery round. Explain your choice to Ron in a detailed message.
