

Masterpieces at Thomas Jean Main vocational high school

publié le 16/05/2024

masterpieces in T.BP-ASSP and T.BP-AGOrA

Descriptif :

Here are two examples of "masterpieces" realized in a vocational high school - Mrs Mireille Texier, English teacher.

Masterpiece in T.BP-ASSP

Project with Mrs Mauduit (medical and social science teacher).

Title : **Organizing games about Europe for residents of an old people's home.**

Objective : Discovering Europe and proposing games.

The different steps :

2022 -2024

- Choose a European country and look for information to present it and note them down on the document.
- Create a poster board to present the chosen country :
(Methods : how to present and organize the information on your poster board ?)

- Present a European country to your friends orally.

- Exhibition at the old people's home « Les Avelynes » in Niort.

2023 - 2024 :

► Choose games about Europe to propose to the residents : a memory game – a lottery one – find out the capital cities.

► Prepare the cards for your games :

For the memory one : choose photos of famous places and monuments in the capital cities and create cards.

For the lottery : make boards with the different flags.

For the game « guess the capital cities », prepare cards with the different capital names

► Organize a tea party :

study a recipe : chocolate cookies.

choose recipes – make a list of the ingredients you need -

prepare the cakes

- Plan your afternoon with the residents and organize the games.

Masterpiece in 1BP-AGOrA

Project with Mrs Giraud (administration and business teacher)

Title : How can you become an eco citizen at work ?

Objectives :

- improving recycling and adopting an ecological attitude at work.
- creating an ecological object, which will prove useful at work.

2023 – 2024 :

- Test your knowledge about recycling (answer a survey).
- Analyse the results.
- Meet the Maxi Bazar Association : recyclable and non recyclable waste. Classify the different plastic waste and imagine an ecological town using waste.
- Meet « Les recycleurs fous ». Discover the different types of plastic and discover how to create something made of recyclable plastic (ex : a ruler).
- Ask questions about recycling in England to our English assistant.
- Take notes and write a report.
- What about recycling in Europe ? Choose a country, look for information and take notes.
- Make a powerpoint to present to your friends.
