Descriptif :

EREA Françoise Dolto (St Aubin le Cloud, Deux-Sèvres), celebrated St Patrick's Day with an Irish breakfast served for students and staff.

Dear friends and readers,

Our school, EREA Françoise Dolto (St Aubin le Cloud, Deux-Sèvres), celebrated **St Patrick's Day with an Irish breakfast served for students and staff.**

The menu was composed of scrambled eggs, sausages, bacon, black pudding, baked beans, mushrooms, marmalade, and toast.

Everybody could also enjoy English tea and organic apple juice.

The **entire service was organized and held in English**, and the pupils played the game rather well !

The room was decorated for the event with **posters created by the students presenting Ireland**, and we could hear **Irish music**.

The dress code was green clothes or accessories, and when people entered the refectory, they received a present to celebrate.

It was a really fun and successful moment !

The English team of EREA
