Sylvie Lallet - Avril 2009

Kinovea

Fichier Édition Affichage Image Options Aide

Exporter les images clefs

Zone de Travail: Début : 0:00:00:00 Durée : 0:00:02:48

Position : 0:00:00:00 Vitesse : 100%

démarrer Kinovea FR 14:26

Kinovea

Fichier Édition Affichage Image Options Aide

Chaque image clef peut être récupérée indépendamment de Kinovea.

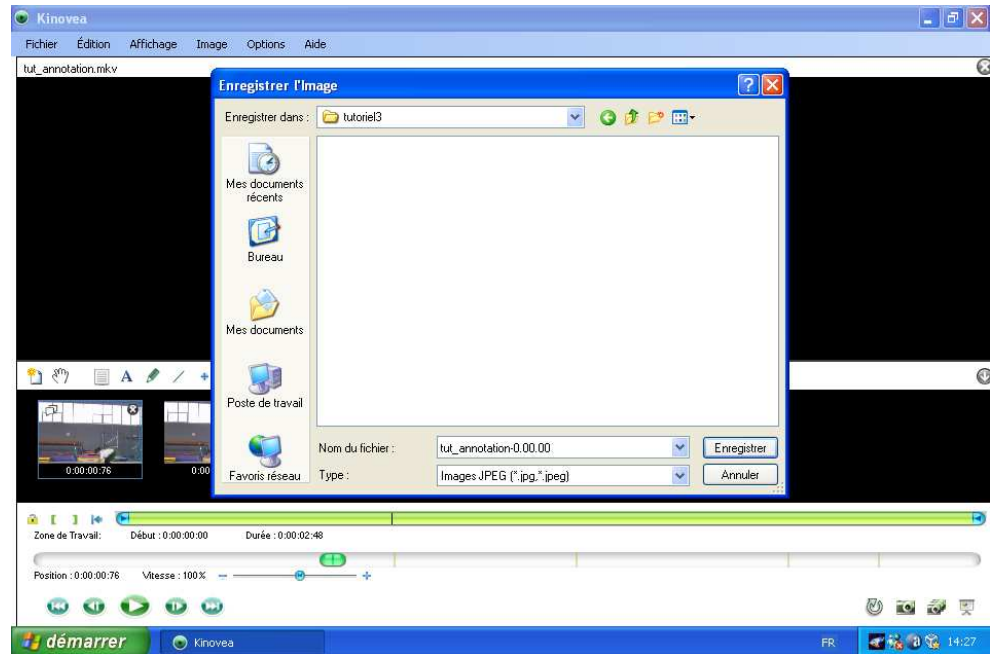

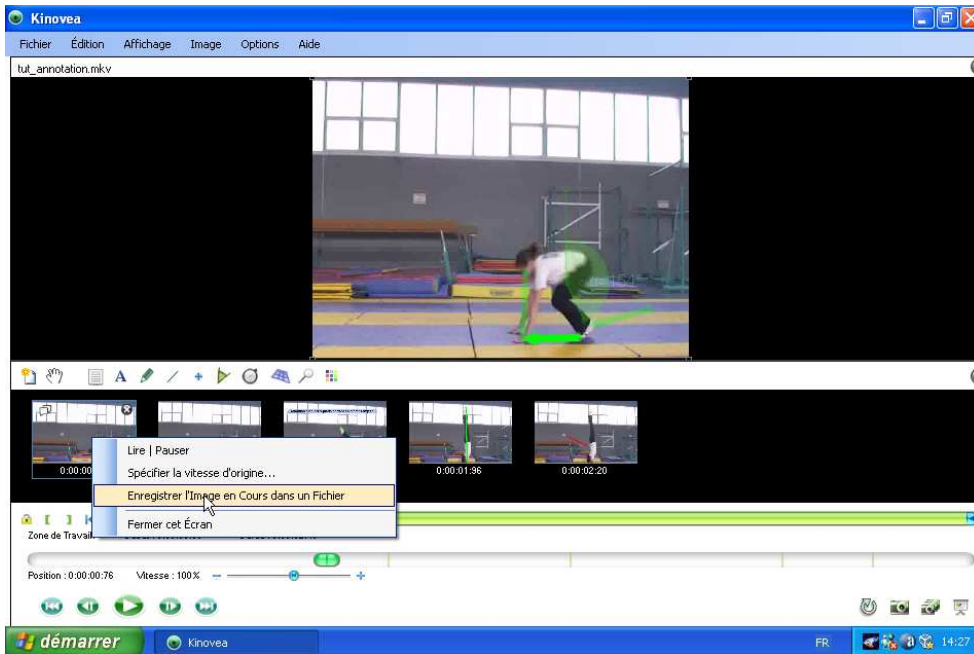

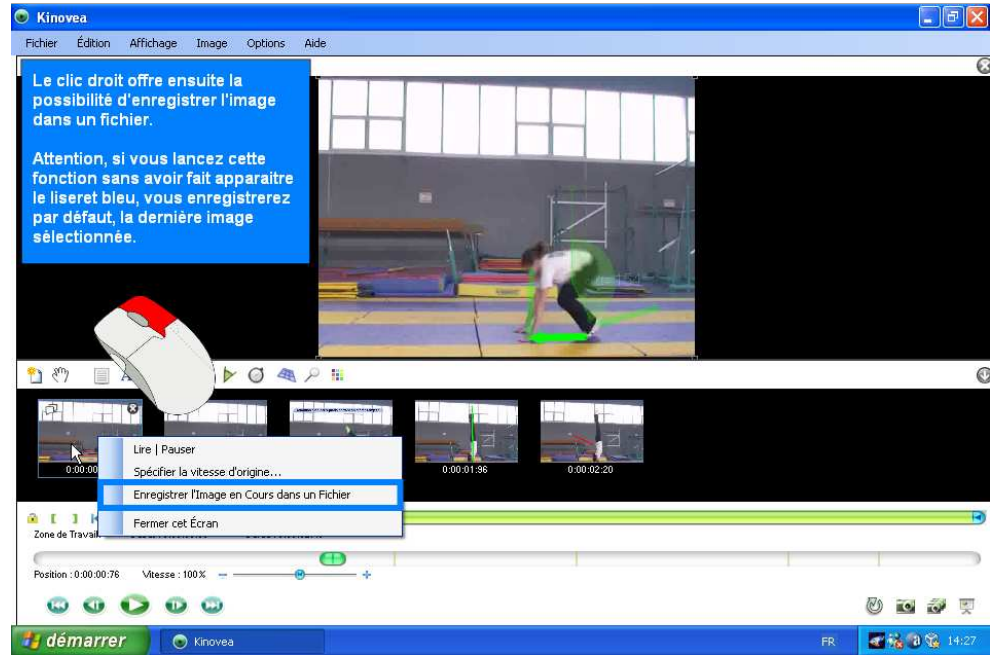

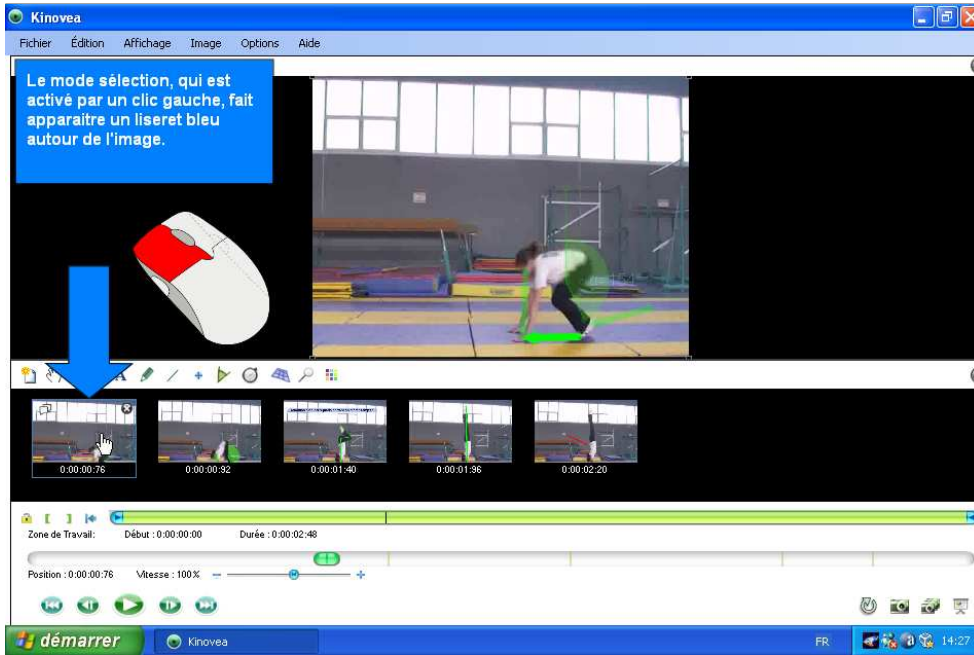

Vous pouvez alors les exploiter avec l'outil de votre choix : traitement de texte ou PréaO pour réaliser une fiche d'atelier par exemple.

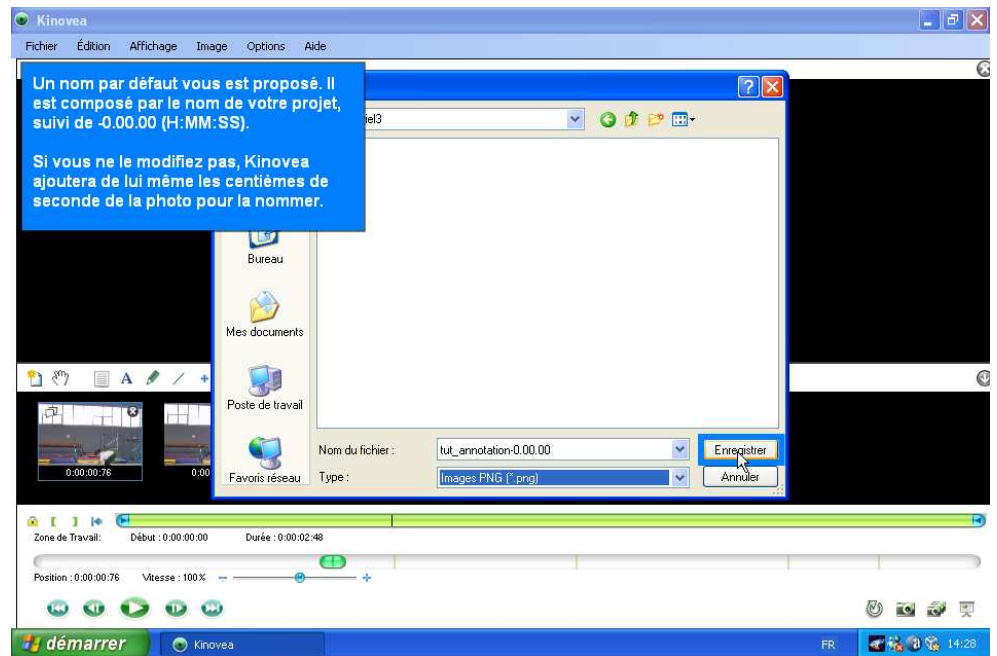

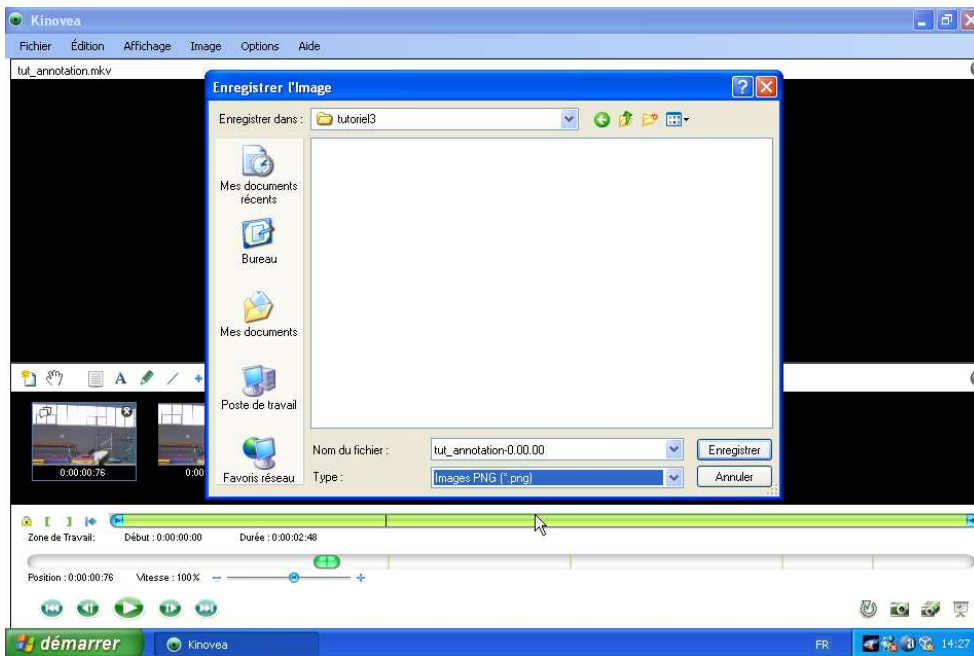

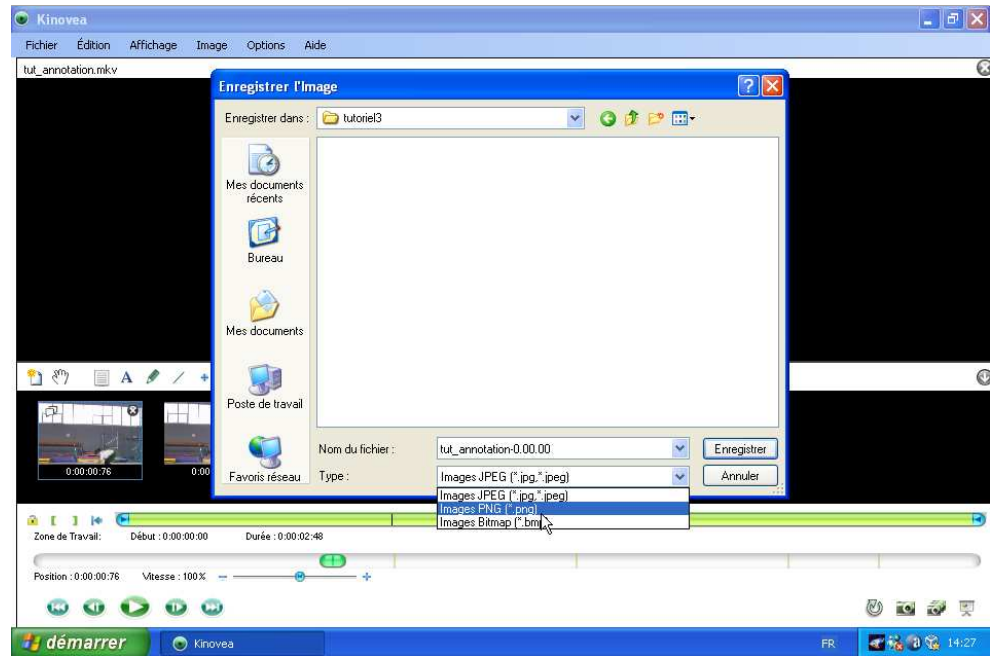

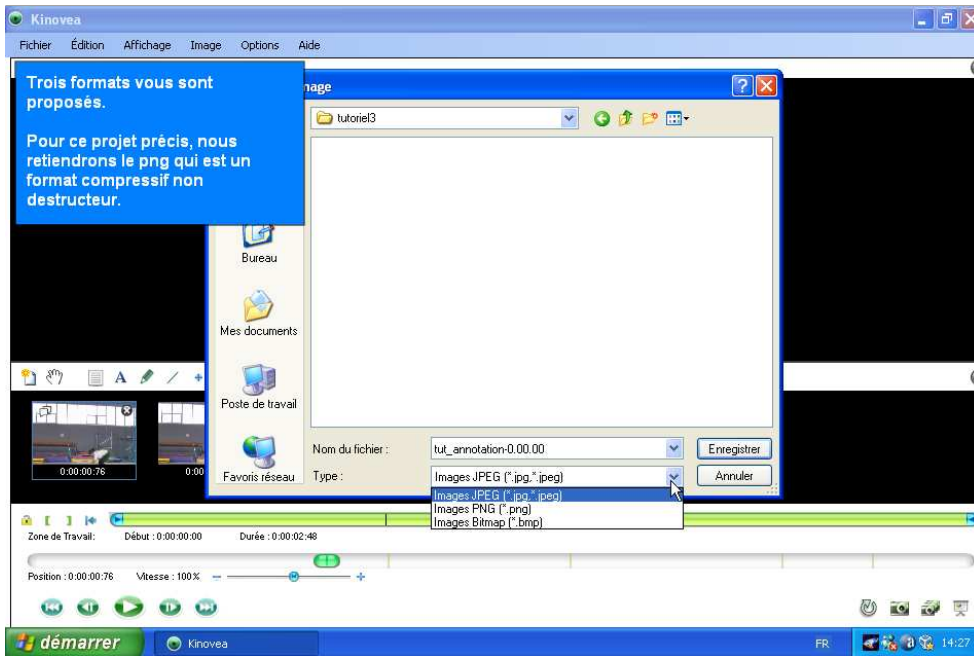

Différenciez bien le mode survol de l'image qui permet d'accéder à la petite croix qui détruit l'image clef, du mode sélection qui est actif avec le clic gauche sur l'image en question

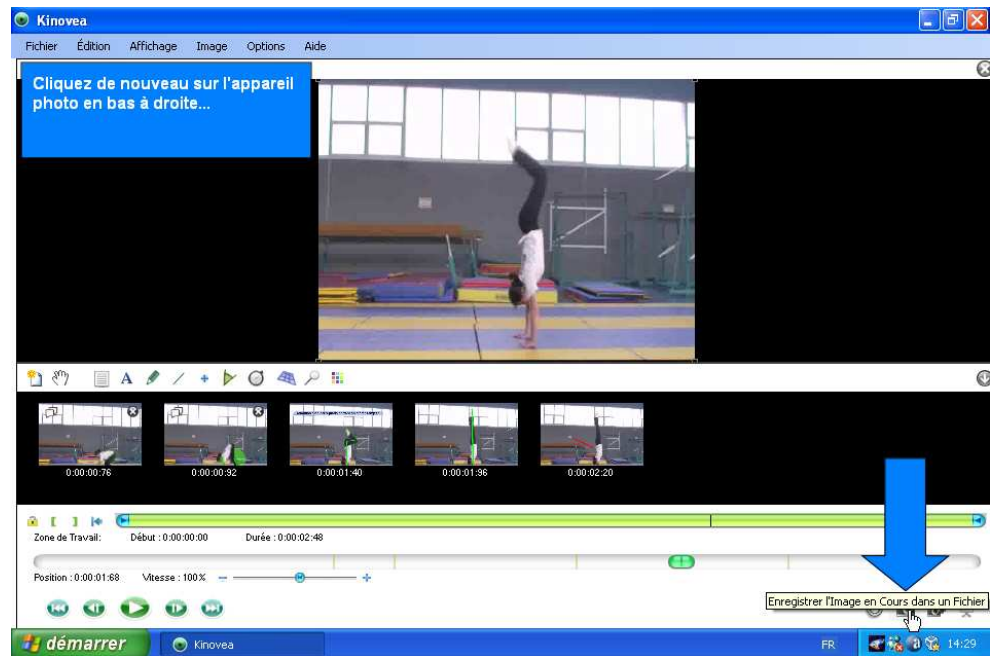

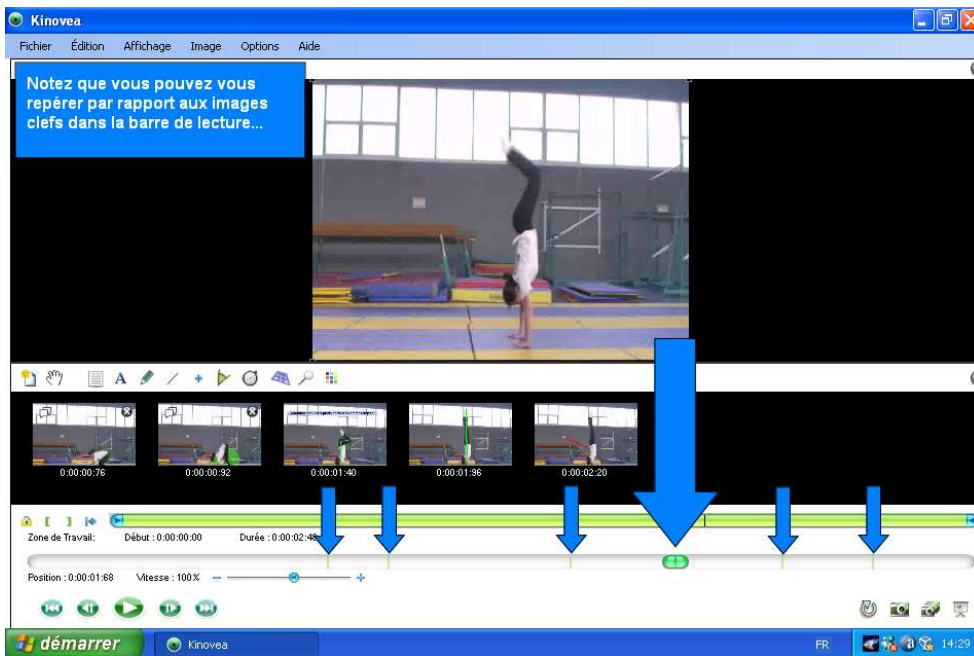

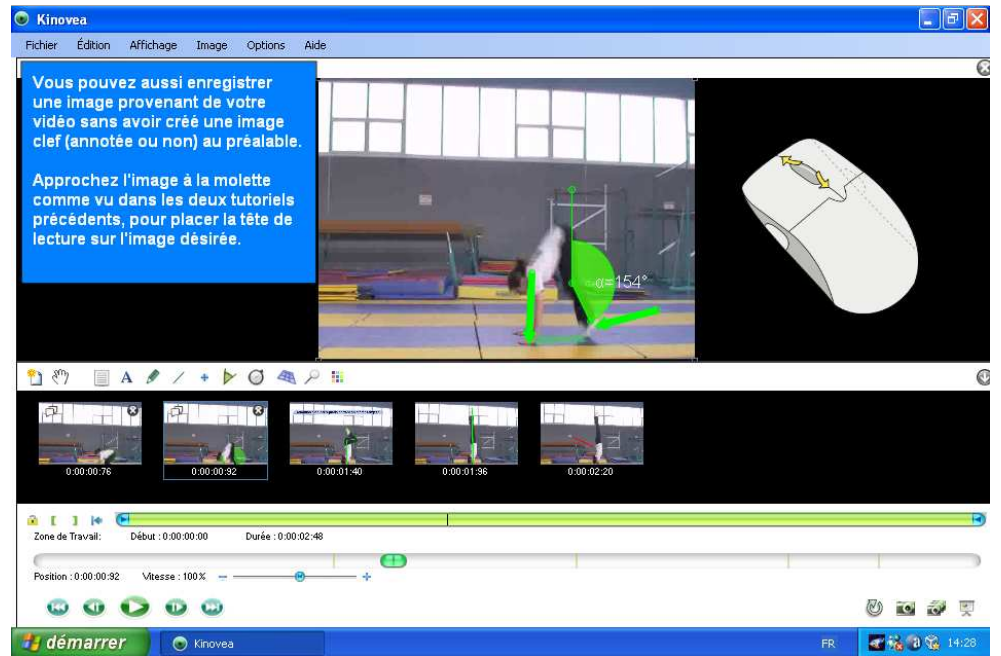

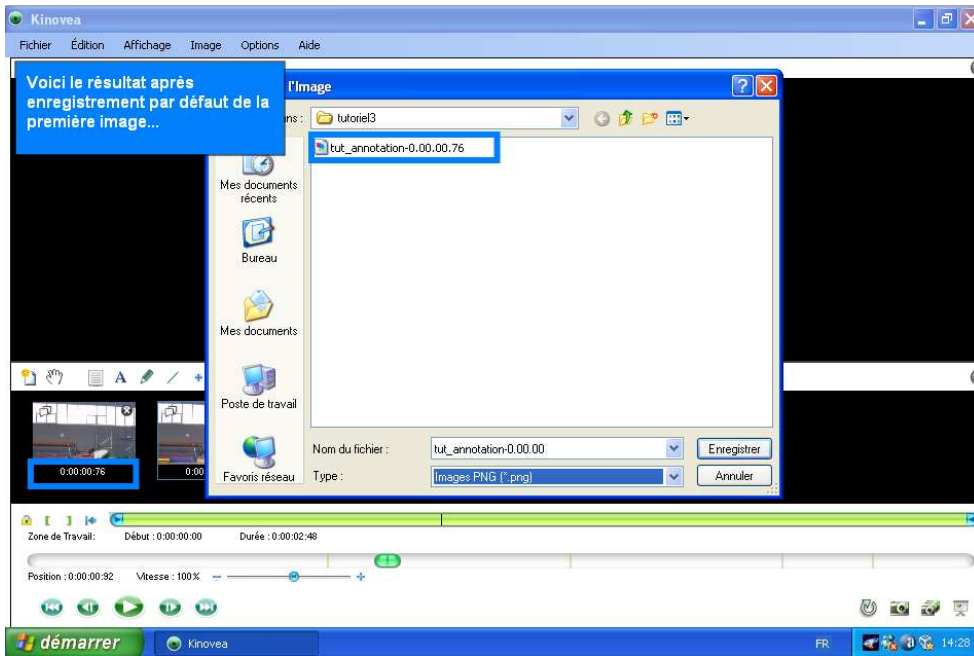

Zone de Travail: Début : 0:00:00:00 Durée : 0:00:02:48

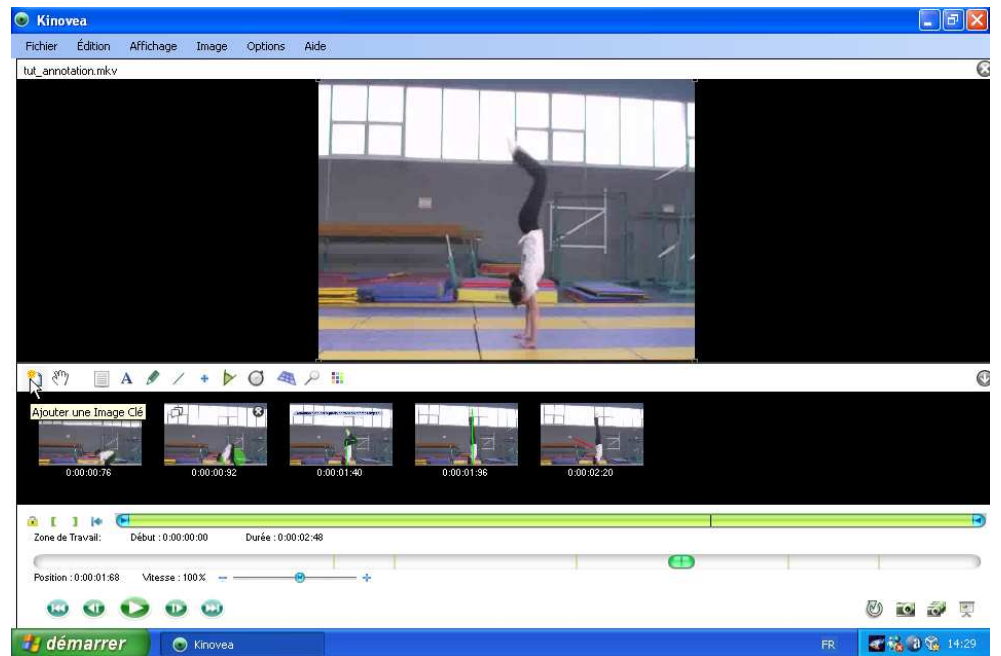

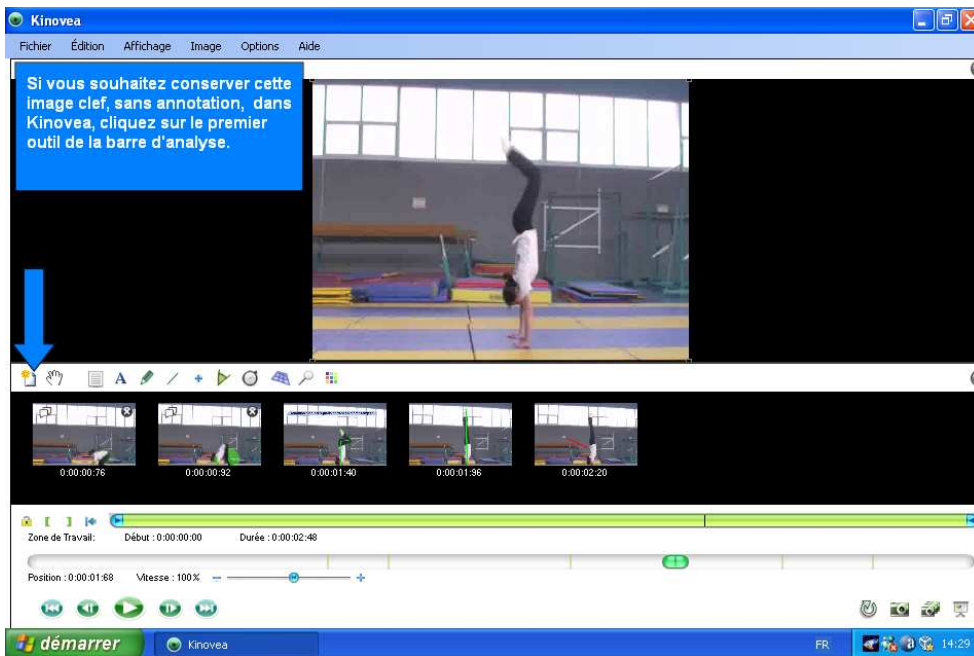

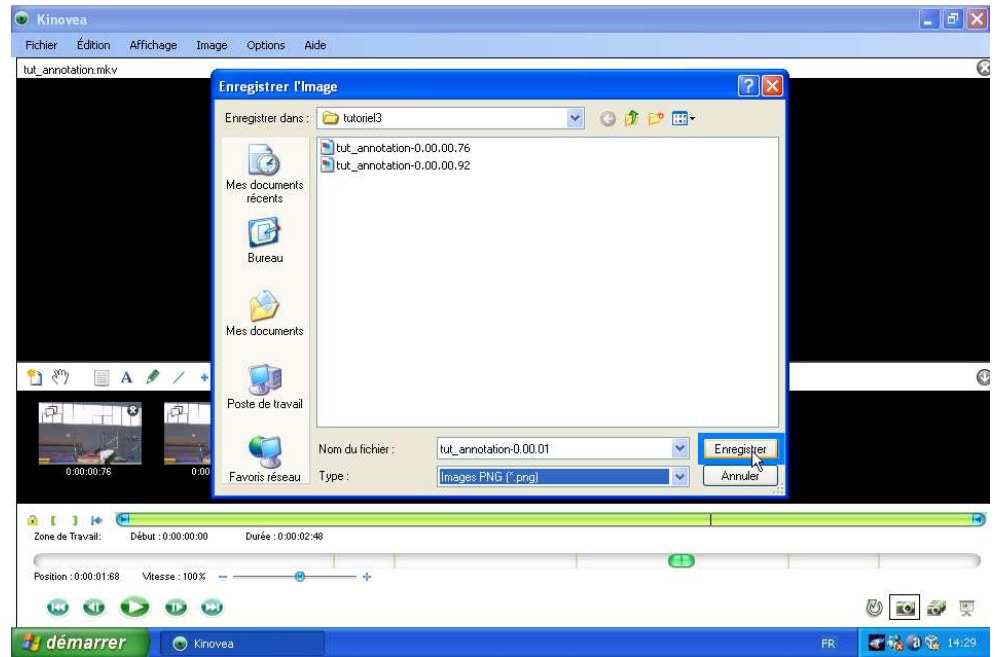

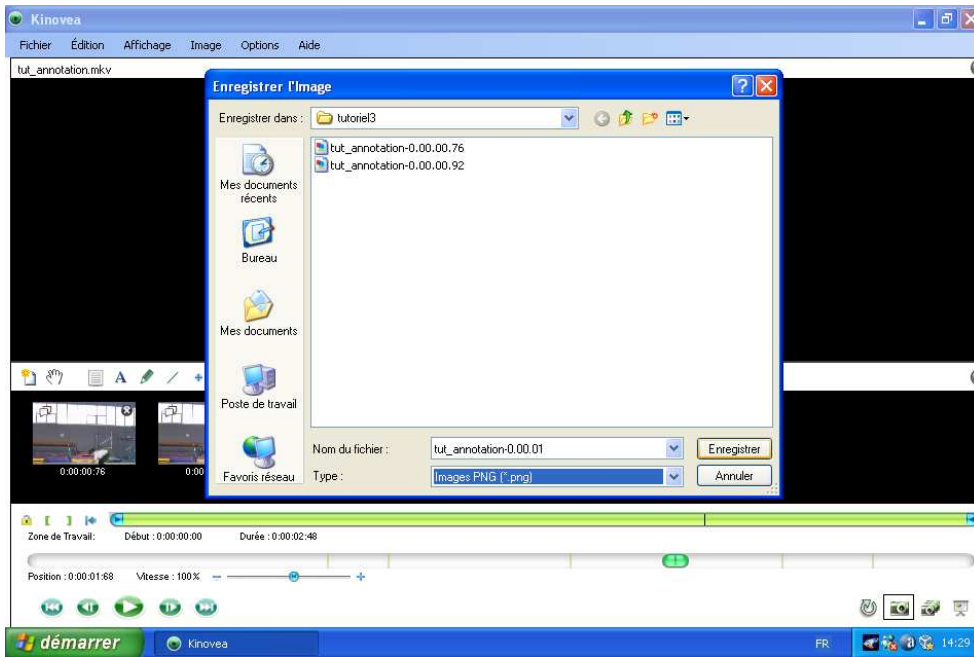

Position : 0:00:00:00 Vitesse : 100%
