

Tutoriel PDF-XChange Viewer

Vidéo de présentation

<http://youtu.be/7jJyKTxfZxs>

Téléchargement Pdf XChange Viewer (solution gratuite)

Logiciel permettant de « travailler » sur le document pdf (annotation, texte...)

http://www.01net.com/telecharger/windows/Multimedia/albmums_et_visionneuses/fiches/46611.html

Apporter des modifications à un PDF

PDF-XChange Viewer dispose de nombreux outils pour modifier votre document PDF, y ajouter des commentaires, ajouter ou supprimer du texte, etc.

Les premiers outils spécifiques au logiciel

A noter, les lignes marquées « PRO » ne sont disponibles qu'avec la version payante

Commandes que l'on retrouve dans la barre d'outils (il faut les rajouter en passant par « Affichage » puis « Barre d'outils »)

Outil Note

A vous de jouer;)
